Jorgenson Consulting Inc., a premier Executive Search firm specializing in Economic Development, Chamber of Commerce and Downtown Development Organizations has opened its first office in the western region of the United States.

Joan Jorgenson, Founder, Managing Director and Partner, announced today the firm has opened an office to serve its clients with operations in the west. The office is located in Littleton, Colorado, a part of the Denver metropolitan region. "We are pleased to have Charles Webb, an experienced economic developer and association executive, relocate to Denver to carry out our commitment of being more accessible to our clients during this difficult economic downturn."

Todd Jorgenson, Managing Director and Partner, said "Non-profit corporations and regional economic entities were not immune to the pressures of finding the most capable applicants. This is especially true in challenging economic times to help them become more effective and productive in their job creation and retention efforts. We know that Charlie's diverse experience will help us reach out to the many large and small organizations that will face hiring decisions."

Charlie Webb, Managing Director of Jorgenson Consulting can be reached at 7931 S. Broadway #337, Littleton CO. 80122 at (o) 303-732-5929 or (m) 303-303-885-1582 or e-mail at [charles@jci-inc.net](mailto:charles@jci-inc.net).
